A note on purchasing framed works:

Red spots indicate that the work has been purchased. Green spots that the work has been acquired for the North West Essex Collection

Purchasers will be able to take down their chosen work[s] and take them directly to the queue at the pay desk. However, a small number of heavier works will be marked with a notice "not to be removed".

Anyone wishing to purchase one of these items should speak to one of the volunteers available in the room, who will Red Spot it and give a chit, giving the catalogue number of the item[s] they wish to purchase and ask them to join the queue directly, where they will present their chit and pay.

They may then show the receipt to a volunteer who will remove the item(s) from the wall.
